## RESOLUTION

Supporting the goals and ideals highlighted through National Volunteer Week.

Whereas National Volunteer Week began in 1974 when President Nixon signed an Executive order establishing the week as an annual celebration of volunteering, and since then, every United States President has signed a proclamation promoting National Volunteer Week;

Whereas National Volunteer Week will be observed during the week of April 15 through 21, 2007;

Whereas the National Volunteer Week theme, “Inspire By Example”, truly reflects the power volunteers have to inspire the people they help and to inspire others to serve;

Whereas about 61.2 million people volunteered through or for an organization at least once between September 2005 and September 2006, according to a recent survey by the

United States Bureau of Labor Statistics, and the proportion of people who volunteered was 26.7 percent, more than a quarter of the total United States population;

Whereas the estimated dollar value of volunteer time was \$18.04 in 2005, according to the latest information provided by Independent Sector, a nonpartisan leadership forum, and the coalition estimates the value of volunteer time for 2005 to be \$280 billion;

Whereas volunteers have contributed to the enhancement and improvement of communities across the United States, especially with respect to the aftermath of the hurricanes on the Gulf Coast; and

Whereas National Volunteer Week will continue to build awareness of the role that volunteers play in local, national, and international communities, and their commitment and dedication to improving lives, strengthening communities, and fostering civic engagement through service and volunteering: Now, therefore, be it
